### ORDER

In the Government orders read above ordered among other things that one year's military service will be counted as two years of service for purpose of increment and leave in the State Services. Chief Engineer (General and Projets) in his letter third cited has sought a clarification as to how this concession is to be applied in the case of those Civil Servants deputed for any service who have already reached the maximum of the scale of pay or are nearing the maximum. Government are pleased to issue the following clarifications in this regard.

'The concessions regarding counting of one year's Military service as 2 years state services will apply only till the maximum of the scale of pay is reached, so far as increment in the scale of pay in the State service is concerned'.

2.Seniority in service will be determined as envisaged under rule 27 of Part II of K.S.R.
